Statement of objects and reasons

Section 34 of the Government of Union Territories Act 1963 provides that the Legislative Assembly of a Union Territory may by law adopt any one or more of the languages in use in the Union Territory or Hindi as the language or languages to be used for all or any of the official purposes of the Union Territory. As Marathi is the language of Goa, and Gujarati is the language of Daman and Diu areas it is expedient to adopt Marathi and Gujarati as the official Languages of this Union Territory in place of English. The Bill seeks to achieve this object.

The important provisions are as follows:—

Clause 3. — It provides that Marathi and Gujarati shall be the official Languages of this Union Territory.

Clause 4. — In pursuance of section 35 of the Government of Union Territories Act, 1963, this clause provides that the languages for use in Bills, Acts, orders, rules, regulations and bye-laws issued under any statute shall be in Marathi and Gujarati.

Clause 5. — It provides that the present Official Language may continue to be used for accounts, work in treasuries, medical prescriptions etc., for a specific period i.e., for the period of transition.
